

Try a few of these tips to build up your willpower so you can keep positive habits going strong.

Arrange your environment.

- **Clean:** Get rid of your temptations, so you don't have to resist them.
- Commit: Make plans with a friend who can hold you accountable.
- **Optimize:** Time tasks so they align with your willpower like grocery shopping when you're already full.

Boost your willpower in the moment.

- **Postpone:** Say "not now, maybe later" to get the devil off your shoulder when you're tempted.
- **Distract:** Give your impulse a chill pill by focusing on something else for a few minutes.
- **Hide:** Remove the temptation from plain sight or remove yourself from the situation.

Strengthen your ongoing willpower.

- **Meditate:** A 10-minute mindful meditation sesh every morning can help improve impulse control over time.
- **Sleep:** Think of rest as a shield from temptations the more you sleep, the stronger it gets.
- Stop Swearing: Changing a speech pattern, like avoiding expletives, can help you learn to extend your willpower.

Excuse your setbacks.

Forgive Yourself: You're human, after all! Give yourself
a break when you deviate from the path, and you'll be
more likely to get back on it.
